

Is your firm a leader in sustainable design or building?

Then you should appear in
High-Profile Green News

Here's how:

Share your knowledge and experience with our readers:

We're looking for regular monthly articles and expert advice pieces on Green Building and Sustainable Design issues in the North East.

Submit News Releases: Announcements of LEED Accreditation, Sustainability related Awards, or news of construction with green goals in the planning are welcome. [Editorial Guidelines](#)

Advertise Monthly:

Now at significantly discounted rates you will to reach the people who are looking to build green. [Discount Ad Rates](#)

Submission of industry articles, news releases and/or advertisements should be directed to Anastasia Barnes
e-mail: anastasia@high-profile.com
or call anastasia at 781-294-4530.

Why keep a low profile?
