TF rates offer the lowest price and best ROI. Save 25% to 40% every month and receive a full package of benefits with the monthly TF (Til Finished) program. This is our most popular advertising schedule because it is simple, it saves money, and it's effective.

The TF program has your ad appear each month, both in print and online. The rate is automatically

discounted each month to fit your budget for the year. Your advertisement is online and in full color, automatically hyperlinked to your firm's website.

With the TF program, you will be assigned an account executive to assist you with news, articles, and advertisements for preferred placement both in print and online, including FastFacts Friday, Twitter, Facebook, and LinkedIn.
