The screenshot shows the HPMG Newsfeed website home page. At the top left is the 'HIGH PROFILE hp' logo with the tagline 'The Source for AEC Industry News'. Below the logo is a navigation bar with links for 'All News', 'Subscribe', 'Next Issue', 'Archive', 'Advertise', 'Podcast', 'A/E/C Associations', and 'Calendar'. A search icon is on the right. Below the navigation bar are three main article thumbnails: 'Cambridge Cleantech Startup Scales Up with 8,000sf in Medford', 'The Construction Institute Announces Speakers for the 2024 Owners' Roundtable', and 'J&M Brown Company Nearing Completion on Signature Healthcare Brockton Hospital Fire Recovery Project'. Below these are several ad placements: a blue banner ad for sustainable energy, a 'NAUSET' banner for multifamily and medical properties, a 'Featured Stories' section with two article cards, a 'Logo Ad' section with logos for Interstate Electrical Services, ABC Connecticut, PWC Connecticut, and gray, and a 'Improving Energy Efficiency for Building Sustainability' ad with a list of services and the Earthwise Energy Technologies logo.
